Dear Kenji san,

Thank you for your generosity. Pitch In For Baseball® received your contribution of \$1,560 in support for our organization.

Your generosity and that of your colleagues is truly meaningful. You have set a wonderful example of appreciation. Your financial support will make an important impact on our ability to help children and communities in need.

I'm hopeful to get a chance to thank you in person in Williamsport this year. Best of luck on a great season!

Sincerely yours,

David Rhode
